ENVIRONMENT & WILDLIFE

We are committed to protecting our natural environment. Please respect your surrounding, the fynbos and the wildlife at all times. Please do not litter and do not damage the flora in any way. Should you come across any snakes, baboons or other wildlife, please do not kill them, rather call Andile / Victor to remove them. Baboons can be a nuisance, so should you see them in the nearby vicinity please try and keep the doors closed and locked where possible. If you would like to go outside while there are baboons around, they will normally disperse if you wave your hands and shout. However, we recommend you please use caution as they can be dangerous.

SMOKING POLICY

We regret that the entire house is a non-smoking environment. Should you wish to smoke, please do so outside and make use of the ashtrays provided. Please do not dispose of your cigarette butts in the garden as this causes pollution and poses a great fire threat. Please also appreciate the stale smell that smoke leaves behind. Sadly, due to previous incidents where carpets, blankets & furniture were burnt, we have had to institute a R5 000.00 fine to be taken from your security deposit for any violations of this policy.

DRINKING WATER

The Knysna water is naturally slightly brown in colour but has been filtered and is perfectly safe to drink. In addition, double-filtered water is available at the kitchen 'prep bowl' and in the main bedroom vanity, located next to the shower.

HOT WATER & HEATING

Please note that the hot water takes a while to reach the three bedrooms due to the size of the house. It is advised to shower/bath between 7am - 9am and 7pm – 9pm as this is when the hot water circulates. The heating system has been designed to be energy efficient. Should you require hot water at any time, please speak to Andile.

If you are feeling cold, there is a log fireplace in the TV room, as well as a gas fireplace in the lounge area. Please also use the additional blankets provided when watching TV or place them on your beds.

Bring the supplied body boards from our storeroom and have some fun, body surfing in the waves or enjoying a picnic in the sand. Ask **Andile / Victor** to show you the way. The return hike will definitely test your fitness.

ACTIVITIES

INDIGENOUS FOREST TRAILS

Andile / Victor can guide you with the way down to the Cove Beach which should take about 15 minutes. At the far end of the Cove beach, a river flows. One can follow that river upwards, and boulder-hop to a beautiful waterfall. Another walk you can do, would be to cross over the same river and head up the path on the other side of the valley and continue over the crest of the hill. Once you go down the other side you will enter a beautiful forest. You can then either do the “Forest Loop” or follow the trail under the canopy of trees, along the river until you reach another waterfall. The hike is rated for reasonable fit walkers and the waterfall is located approximately 4 – 5km from the house.

PEZULA TENNIS

About 2km past the Pezula hotel you will find a beautiful tennis court (with a practice wall) on your left-hand side. The key can be obtained from the office nearby and Heaven Can Wait have rackets and balls which you may use. The code for the tennis court is 555.

My first time at Heaven Can Wait was truly special. I went with myself and 8 of my friends after a busy work year. One of the best holidays we have ever had was at Heaven Can Wait. The staff were so friendly and helpful 24/7. (10/10) They really made a good impact on our stay and made it that much more memorable. Shoutout to Andile and Victor.

Thank you guys!

The Cleanliness of the house was also a (10/10).

The Location with the safe scenic views was absolutely wonderful and its not to far to get to all the lively places around Knysna and Plett. (10/10)

I felt truly comfortable there and amazed by all the new renovation's done to the house. Pictures and videos really don't do this house and the whole experience justice.

I would say it is without a doubt great value for money, honestly heaven can wait and their team in my opinion should be charging 50k a night. Ive been to many 50k a night places and Heaven Can Wait was even better then them. I

HIGHLY RECOMMEND and I'M Definitely coming back!

A HEAVENLY STAY AT
"HEAVEN CAN WAIT"
- PEZULA PRIVATE
GOLF ESTATE
OUR STAY AT HEAVEN

CAN WAIT WAS NOTHING SHORT OF SPECTACULAR. THE CLEANLINESS OF THE HOUSE IS A SOLID 10/10!

HOUSE MANAGER VICTOR NYIRENDA IS
INCREDIBLY METICULOUS AND KNOWLEDGEABLE-HE KNOWS
EVERY
DETAIL

ABOUT THE HOME AND ENSURES IT REMAINS SPOTLESS, WITH BOTH POOLS PERFECTLY MAINTAINED.
THE CHEF AND STAFF WERE PROFESSIONAL AND TRUSTWORTHY, HANDLING OUR BELONGINGS WITH
CARE AND KEEPING EVERYTHING SAFE

AND ORGANIZED. NOT ONCE DID WE HAVE TO WORRY ABOUT SECURITY OR MISPLACEMENT OF OUR
ITEMS.

AS FOR THE HOUSE ITSELF-IMPECCABLE!

THE VIEWS ARE ABSOLUTELY BREATHTAKING, TRULY A SLICE OF HEAVEN. BOOKING THE PROPERTY WAS
SEAMLESS, WITH NO HIDDEN COSTS OR UNPLEASANT SURPRISES. THE ESTATE IS EXTREMELY SECURE,
OFFERING COMPLETE PEACE OF MIND. NO

UNAUTHORIZED

ACCESS, JUST PURE LUXURY AND TRANQUILITY.

IF YOU'RE LOOKING FOR AN EFFORTLESS, LUXURIOUS ESCAPE, HEAVEN CAN WAIT IS THE PERFECT
CHOICE. HIGHLY RECOMMENDED!
